Thank you Carlos and Gary,

I received the Site Sign-Off Form last night from Nancy so the file is complete. I also received acknowledgment letters from both repositories (Freeport Branch Library and TCEQ) stating they received the AR packages.

Thank you!

Hello Carlos,

The AR Index was submitted to the repository September 9, 2010 based on confirmation from you and Gary Miller that the AR Index was accurate and the collection was complete. All I need now is the Site Sign Off Form. What is Stephanie's last name so that I may contact her to retrieve it? Please advise.

Thank you,

The AR index has been signed by the RPM and site attorney. The document should be added to a disk and sent to the repositories. Stephanie has the signed off sheet. Thanks CAS

Hello Gary,

I should have the index ready to send out for Tuesday or Wednesday of next week delivery that would be 9/7/2010 or 9/8/2010. Is that too early to send out? Your email says 9/14/2010. Please advise.

Shannon - welcome back!

Yes, the Gulfco docs & A/R are ready for the index (re: tank removal AOC), and the repository address & phone number are in the email below. Can you email the index to me when its done?

Normally Barbara Nann (attorney) & I would sign the sign-off form, but I will probably be working at home again next week, so I will ask Carlos Sanchez to sign the form for me. On the A/R delivery date, by 9/14/10 will work OK.

Please let me know if you have any questions.

Nancy,

Please process & final an administrative record for the Gulfco Superfund Site - this one is for the Tank Removal Consent Order, collection # 61689. The goal is to have the admin record completed by about the first week in September. Please let me know if you have any questions on this.

The repository is located at:
